RE: California Public Records Act Request: Brady List (Glenn County)

Dear Mr. Rubins:

This letter is in response to your Public Records Act request first received via fax by the Glenn County District Attorney's Office on July 15, 2019. The Glenn County District Attorney's Office did not receive the request you purport to have sent them on July 4, 2019. Your request asks for:

All "Brady lists," Giglio lists," "potential impeachment disclosure lists," or any similar compiled records or lists of records of the type set forth in California Penal Code §832.7(b)(1)(c). That is, "Any record relating to an incident in which a sustained finding was made by any law enforcement agency or oversight agency of dishonesty by a peace officer or custodial officer directly relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another peace officer or custodial officer, including, but not limited to, any sustained finding of perjury, false statements, filing false reports, destruction, falsifying, or concealing of evidence."

The Glenn County District Attorney's Office has identified records responsive to your request. Such records are exempt from disclosure as personnel files, the disclosure of which would constitute an unwarranted invasion of personal privacy (Government Code § 6254(c)), investigatory records (Government Code § 6254(f)), official information (Evidence Code §§ 1040 and 1042), attorney work product (Code of Civil Procedure § 2018.030(a) and Penal Code § 1054.6), and the public interest served by not disclosing the records clearly outweighs the public interest served by disclosure of the records (Government Code § 6255.)¹
